### English-based Program

- ✦ International Culture and Communication

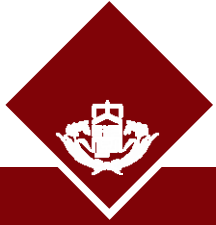

**WASEDA UNIVERSITY**

# Advantage as degree-seeking student

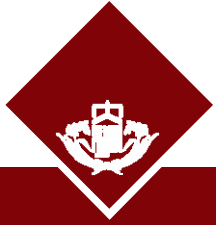

- Establishing network among top-level students from Asia
- Based in Tokyo, but experiencing "3<sup>rd</sup> country" for you through study & research in Asia

## **(2) Active cooperation in Research**

### **■ Case1: LIMES (Life & Medical Sciences Institute) at Uni Bonn**

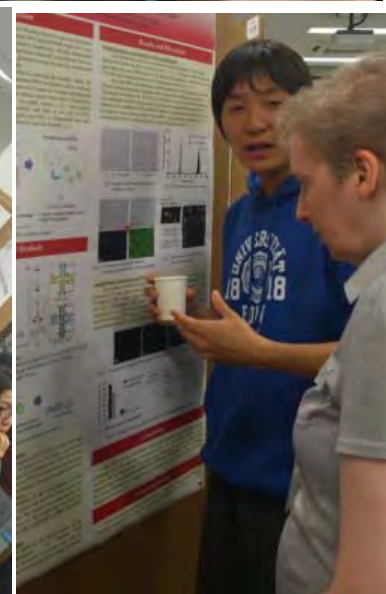

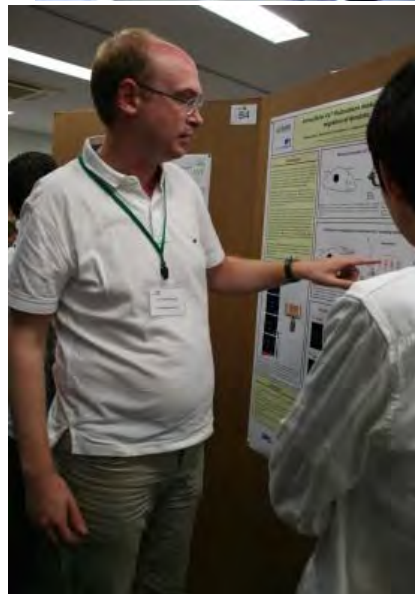

- ❁ **Started in 2006**
- ❁ **Various collaboration**
  - **Joint research**
  - **Holding annual symposium/seminar**
  - **short-term research exchange etc.**
- ❁ **Exchanging young researchers has been the key factor from the start of collaboration.**
  - **Cultivating „next generation“ researchers will contribute to establish long-standing partnership.**

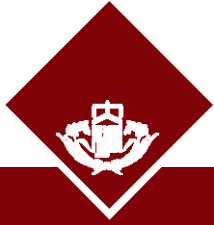

**WASEDA UNIVERSITY**

# How are young researchers involved?

✪ Participating in joint symposium and int'l conference.

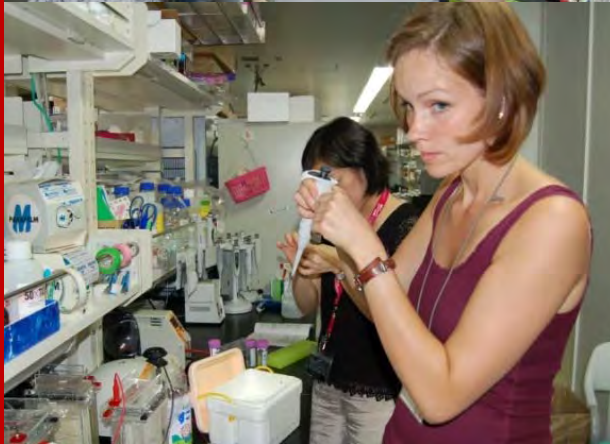

**WASEDA UNIVERSITY**

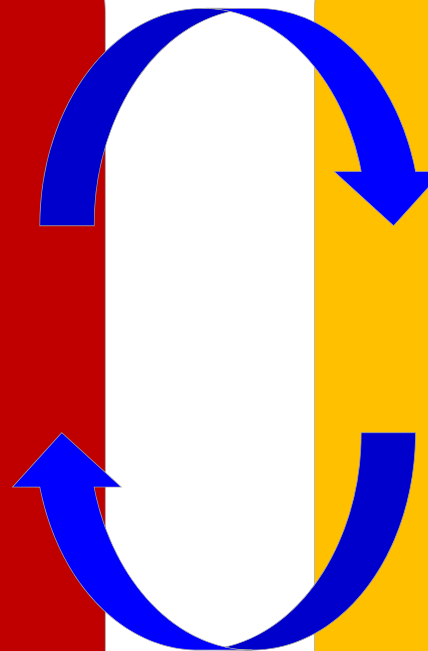

# How are young researchers involved?

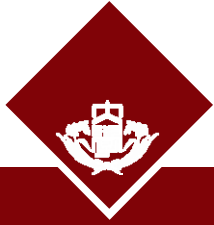

- PhD students and postdocs of both universities experimented at each host university.

@Waseda, 3-12 Sep. 2012

@Bonn, 13-22 Sep. 2012

**WASEDA UNIVERSITY**

# How are young researchers involved?

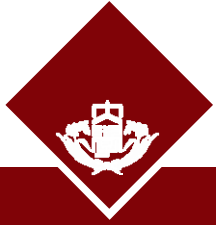

- Once getting out of laboratory..., **Social Events!**

**"Kanpai (Prost)!" @ Shibuya**

**Excursion @Köln**

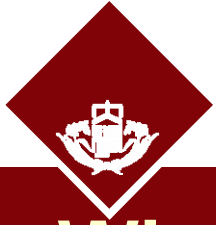

## **(2) Active cooperation in Research**

### **■ Case2: Math. Fluid Dynamics with TU Darmstadt**

- ⊕ Awarded for “Japanese-German Graduate Externship” operated by JSPS-DFG from April 2009- March 2018**
- ⊕ Incoming mobility from Germany (AY2014)**
  - 6-months’ research stay at Waseda**
  - Short-term stay to participate in international seminar**

## What has been produced through Case 1 & 2 ?

Establishing network  
among young researchers  
at Waseda and German  
universities

International /multicultural  
competency

⊕ **Cultivating key-person/leader for the future collaboration  
between Japan and Germany**

## Your options to study/research at Waseda

### Option1

#### Degree-seeking

- ✦ Bachelor: 4 years
- ✦ Master: 2 years
- ✦ PhD: 3 years
